### **CITGO to Provide Fuel Assistance to Tribe**

*Applications Available This Week*

**Akwesasne Territory** – The CITGO Petroleum Corporation fuel assistance program in partnership with Citizens Energy Corporation has notified the St. Regis Mohawk Tribe of the awarded funds for this heating season. CITGO's partnership with Citizens Energy Corporation recently confirmed that they would be providing financial support for the Akwesasne Community for home heating fuel assistance. Based on the dollar amount allocated, approximately 100 gallons per household will be distributed. "We want to express our appreciation for this support to our community," remarked Monica Jacobs, Tribal Chief. "This is a great help to community members who often struggle to pay energy bills in the winter." The funds are to arrange for the purchase and delivery of home heating fuel to qualified individual households. In order to be eligible for the CITGO/Tribal fuel assistance program, individuals must complete an application, purchase the fuel through tribally-licensed fuel dealer (to be listed on the applications), and provide an actual physical home address of where the fuel is to be delivered.

Applications for this program will be distributed through the Tribe's Compliance Office and made available at the Tribal Community Building beginning on Wednesday, February 24, 2010 through Friday April 16, 2010.

Applications will also be available at the Senior's Center. Assistance with completing the application will be provided at the Senior's Center on Friday February 26<sup>th</sup> 10 AM to 1 PM, Tuesday March 2<sup>nd</sup> 10 AM to 2 PM and Thursday March 4<sup>th</sup> 10 AM to 2 PM.
