Concert Promoters Meet Compliance Requirements

Jessica Simpson Headlines Upcoming Concert

Akwesasne Territory. Representatives from the Jacobs Tobacco Company have been working in close cooperation with the St. Regis Mohawk Tribe's Compliance Department to fulfill all the criteria for licenses and meeting deadlines in relation to their sponsorship of the upcoming Jessica Simpson concert. Elliot Lazore, Director of the Tribal Compliance Department noted, "The concert promoters have been very conscientious in making sure that they have all their bases covered. The event will have adequate security, police, insurance and emergency medical coverage. They've taken all the steps necessary to comply with tribal regulations for an event like this."

Jessica Simpson will be the main concert attraction and has just recently released a new album, *Do You Know*. The bands Lone Star and Smash Mouth will also make appearances along with a local band. "We're not going to put Akwesasne on the map – it's already there. We're just going to make Akwesasne a bigger dot on the map," said Laura Thompson, concert coordinator.

The event will take place on Friday, August 29th at the Jacobs Tobacco Company at 344 Frogtown Road in Akwesasne. The gates will open at 4:00 PM with the show beginning at 5:00 PM. Tickets are available through www.akwesanetickets.com or by calling 518 358-4948.
