MOHAWK BINGO PALACE HOSTS 18TH ANNUAL SENIORAMA

State Senator and Assemblywomen to Attend

Akwesasne Territory. Hundreds of the North Country's Baby Boomer generation will enjoy socializing, food and fun at the Mohawk Bingo Palace on Monday August 17th at the eighteenth annual Seniorama Event. The event will include free entertainment provided by Marty Robinson, guest speakers, raffles and a trade show with information geared to the interest of those attending.

"This Seniorama's eighteenth year and we have been honored to host it at the Mohawk Bingo Palace," noted Janique Odjick, Marketing Manager. "We expect the attendance to be about the same as it was last year, which was just under 1,000 people."

State Senator Darrel Aubertine will be on hand for the event along with New York State Assemblywomen Dede Scozzafava, Addie J. Russel and Janet Duprey. Governor David Paterson's office will also be sending a representative to this year's Seniorama. "This is a prime opportunity for our elected officials to hear directly from voters in their districts about issues that are important to Baby Boomers," said Odjick. "We're happy to host so many elected officials from the Senate, the State Assembly, the Governor's office and the St. Regis Mohawk Tribe. The fact that they will be attending shows how important it is for them to hear from this block of voters." Robert Miller, President of the North Country Chapter of Statewide Senior Action Council, Carlton Doane, President of the New York Statewide Senior Action Council along with John Edie, Past Executive Director of the Statewide Senior Action Council will also all be attending to interact with guests and answer questions.

Other elected officials include members of the St. Regis Mohawk Tribal Council who will be present to greet and welcome guests to the event. "Mohawk culture respects and honors Elders, so being the host for this event reflects that importance," said Tribal Chief Mark Garrow. "I'm looking forward to attending the event and meeting people."

Seniorama is a public event, so community members and members of the press are invited to attend, regardless of age.
