

# *Mohawk Language Training Registration Form*

To: SRMT Employees 12/17/07

She:kon Sewakwe:kon/ Greetings Everyone,

I am glad you're interested in the computer based training we are able to offer to 50 Tribal Employees. Please provide us a little information for our records and ask your Supervisor to sign the form to show their support for you to take the course. The MLT computer lab will be at the Akwesasne Boys and Girls Club and will be open from 8:00AM to 3:00 PM Tuesdays, Thursdays and Fridays and from NOON to 3:00 PM on Mondays and Wednesdays. As you can see this will occur during our regular work hours so your Supervisor will have to agree to the hours you choose to attend.

If there are over 50 registrations received we will draw a lottery to determine who will get a seat.

Nia:wen tanon Sken:nen Thank you and Peace,

Sheree
