

REGISTER NOW for a full-day Professional training on

THE SHARE THE CARE™

Group Caregiving Model

Limited to 40 participants (RNs see below)

This one-day SHARE THE CARE™ training will provide you with the information and tools you need to introduce the model to help family caregivers. You'll receive a copy of the Share The Care handbook, a 98-page training manual with electronic notes, all 23 Share The Care forms, and first-hand advice from the author to guide you through every step in the process of organizing a group and keep it functioning even when times are tough. This knowledge will allow you to offer support and concrete suggestions to new groups just getting started.

For details about this evidence-informed grassroots caregiving model, please visit:
