

Transcription of tape regarding William Plante

This tape is very difficult to transcribe completely....too many background noises....it's muffled...and most of it is not very clear. I have transcribe the parts I could make out .

The day we have a late practice I got no problem. Make sure you guys ready to go on that ice at 5:00

(inaudible) four-thirty, quarter to five. (inaudible) Cut it out boys, doing all this shit all the time (inaudible)

Big game tomorrow (inaudible) everybody (inaudible) that sucks, man

If you're not going to be here before a game or after a game, or if you go ineligible and **all this bullshit all the time**. Does not (inaudible) boys, we don't need 30 guys.

(inaudible) The first (inaudible)

(inaudible)Suck.....You're not playing very well (inaudible) and all that (inaudible)

And one person in this school's **going to fuck it up**, that's you and I'll be the **first fucking guy to tell ya**. (inaudible)

(inaudible) be there, you'll be there (inaudible) **I'm not going (inaudible) fucking** (inaudible) go home (inaudible) boys (inaudible) exactly, (inaudible) boys and **I say it all the fucking time**.

The simple thing of it is boys, do what you're supposed to do.

(inaudible) **we don't give a fuck if you're here or not** (inaudible) You go home, **We don't give a shit. We don't need anybody in this room.** If you don't want to play, then don't be here. It's simple. You're not doing use any favors. As a matter of fact **we're doing you a favor putting up with your bullshit** (inaudible) We can get someone else any day. (inaudible)now he's having fun out there with all those little kids. (inaudible) you guys (inaudible). It's not fun, it's a pain in the ass (inaudible) nothing but fucking headaches all day long.

It's not fun. Did you read in the Massena paper today (inaudible) you guys read the papers once in a while (inaudible)

I'm very proud of you guys every time you play. I'm very proud of having (inaudible) but right now I'm not proud of anybody in here. I'm proud of a lot of guys like (inaudible). Couple of years.....I'm proud of you guys like that....stuff like that

You guys (inaudible) you're **nothing but fucking high stress** (inaudible)

You don't want anything, you haven't done anything, you guys think you're good (inaudible). (inaudible) **You're a bunch of fucking retards**, you haven't done a goddam thing.

(Inaudible) Massena 8 to 1 last night over Canton, Rome 3 to 1 over Whitesboro (inaudible) to Hartford (inaudible) that's good, those guys are in contention.

(Inaudible) scorers (inaudible) **defense sucks**. (inaudible) veteran defense (inaudible) that sucks.

There's nothing to be happy about, is there boys? You come and go like you're in the NHL (inaudible) right here (inaudible)

(inaudible)you're a captian, you don't sound like (inaudible) , you're not following the lead very well

...you guys out of goddamteam

...those guys don't talk much do they, they don't say much do they?

You know what I'm thinking myself? **Look they're a bunch of fucking morons**, that why?

I read the paper here (inaudible) two third period goals to go along with (inaudible) the first and second period...four points against Salmon. **Not fucking Tupper Lake**, but Canton (inaudible) ten that what the final score was. They'll be ready for us next time....we'll just have to come back and be stronger...it's tough games ahead of us. Potsdam looks tough, but we'll take it one game at a time. (inaudible) show them....half a fucking brain (inaudible).

Vance (inaudible) and I have played together all the way up through minor hockey. A lot of other guys played together all the way up through and we worked pretty well and hard together.

(Inaudible) it's not like (inaudible) **goddam intellegence**. You know what I'm saying, boys. You guys have to (inaudible) lockerroom (inaudible) trust me.

(Inaudible) see that was a tension breaker

(Inaudible) ...a sign of a leader, this guy goes (inaudible) ...plays hurt all time...he's a leader (inaudible)

(Inaudible) four more cub scout badges

Here's my leaders right here (inaudible).

(Inaudible) leader, boys (inaudible) no Tom Brady, and you guys are no John Payne

(Inaudible) quarterback (inaudible) how to put (inaudible)

(Inaudible) while not making mistakes

(Inaudible) giving your players opportunities

(Inaudible) we'll see how Manning answers to the pressure (inaudible) answers are so plain (inaudible) Eli Manning (inaudible)

(Inaudible) boys (inaudible) you gotta earn respect

(Inaudible) find a way to put the puck in the net instead make excuses

(Inaudible) the snowman (inaudible)

(Inaudible) you're going to hear it in the end.

(Inaudible) how far he goes (inaudible)

Here's the thing I want to show you (inaudible) ever remember (inaudible) Marc Plante (?) (inaudible) any of our centers (inaudible) Armstrong (inaudible) where's our centers (inaudible) I never (inaudible) ever (inaudible) right there, facing the goddam guy shooting game point. (inaudible) that's what centers do. They don't hang around the red line (inaudible) and they don't stand around the boards **behind the fucking** (inaudible). And that's **what fucking centers** do, that's why they're called centers. They're in the **center of the fucking ice**. (inaudible) **They're not in the center of the fucking** (inaudible), the center of the ice (inaudible). (inaudible) **fucking net, ever, ever**. (inaudible)

(Inaudible) right now he's about 4 or 5 points...from the scoring title again...guess what, you **guys fucking lie (inaudible) fucking power play** with four goals (inaudible) covered (inaudible) well, no shit. (inaudible) our power plays suck (inaudible) because you know what, because **all you guys stand around like you got fucking dementia**, you don't move. A cone could cover all five of you guys. Why do you think Bo's only got two points. He's firing from the goddam point on the blue line, cause no one's ever in front of net. That's why boys.

Pass that around, take a good look at it, maybe you'll fucking learn something.

All right (inaudible) you're all smiles. Well guess what you're a big fucking joke on the ice (inaudible) believe me. If you don't care, guess what? Nobody else give two shits either (inaudible) you'll be laughing all the way through the rest of your life, you're fucking headed nowhere, dead end.

You don't want to hear it, too, bad, that's the truth.

A bunch of our fans went to the game last night (inaudible). You know what they told us, 8-1 against Canton; we're going to get fucking annihilated. The game was so fast...they were so fast...speedy, they move the puck and you guys are like fucking 90 year old guys out there...you don't move, you don't move the puck, you don't do shit out there (inaudible) everything your way.....your way sucks boys. (inaudible)guess what...it's doesn't work. That's why (inaudible). You guys can't do anything right your way. That's why the coaches (inaudible) in the pros....think (inaudible) fucking (inaudible) coach (inaudible)who the fuck are you?

You think (inaudible) doesn't get told what to do. Think Payton Manning (inaudible) so far up their ass (inaudible) Tom Brady, who the fuck are you?

What have you done? What will you do? Probably not much.

You guys don't like hearing this, well guess what (inaudible). (Inaudible) when you go for a fucking team boys, first of all who ever your coaches were from minor hockey (inaudible) I'd sue every one of them because they did fucking nothing for you.

You guys don't know a goddam thing about breakout, you don't anything about passing a puck, you don't know anything about (inaudible) ...you don't about playing a man....you don't know about shit? Like you never played the game.

(inaudible) breaks me up about being sick...I don't how much the Canton guys (inaudible) 8, 1 (inaudible) 6,1 (inaudible) Potsdam aren't that good. (Inaudible) got guys missing (inaudible) look a little sick (inaudible). Boys (inaudible) right now (inaudible). (Inaudible) tough guy (inaudible).

***The next few seconds of the tape are inaudible.

(inaudible) first of all Tiger Woods (inaudible) golf tournament (inaudible) they make charts all the time and they study their charts (inaudible) study, study, study...A-Rod takes 150 (inaudible) grounders every day. These guys work, they practice.

You guys think all you can do is sit here and show up? Well, I'll tell you (inaudible)get on the ice a little, that's why you guys suck. You don't listen, you don't do as you're told, you don't learn...obviously you are not smart enough to learn anyways and your grades show that. You guys think you know everything. When you go out there

you do things your way that's why it does not work. (Inaudible) national champs (inaudible) screw around. They're watching videos all the time. What do you think Tom Brady and these assholes do? Studying all the time, studying all the time....you don't (inaudible) they're listening to the coaches, they're looking at chalkboards, they're looking videos and film. They're looking at film (inaudible) during the game. (Inaudible) coming down from upstairs. (Inaudible) \$15 million a year (inaudible) he's already doing that, that's why he is Tom Brady. **Fucking (inaudible).**

(Inaudible) been around for how many straight games, how many years? All that shit. He's ready to retire and he's had the best year of his life. He'll probably stick around.

Breakaways, three on one, two on one you're always out of position, you don't cover guys in front of the net. You (inaudible). (Inaudible) you're high school guys and you still can't do it. This morning every guy who works (inaudible) **were shitting all over you guys (inaudible) should know (inaudible) how pathetically slow and stupid our defense is.** Never in position, never (inaudible), never hitting, never handling the puck (inaudible). That's what I listen to this morning when I first got in (inaudible).

Don't think people don't notice this shit, boys. (Inaudible for the next few seconds)

We're trying to help you guys. We get mad at ya. I'm tired of this shit...you don't do anything.... (inaudible) ..all you guys do.

(Inaudible) guess what..Massena is no better then us...I know everyone of those stinking kids on Massena, they're defense is no better than us. **(Inaudible) fucking...**and they're forwards are no better than us. You know what the difference is? (Inaudible) that's the difference (inaudible) that's the difference. (Inaudible) is the only guy (inaudible)they got a brain and they use it and they listen...and they escape and they movedon't stand around like goddam (Inaudible)ice and shit like that. They go out get the puck (inaudible) They're no better than you. You know what? **They're going fucking kick you ass. They're come in here (inaudible) ...stand around like fucking somebody that open (inaudible)they're going to blow you fucking away, laugh about it and rub it in his face and my face for another year.** You guys (inaudible) joke or what? Everybody's shitting all over you guys. I can't believe that you don't stand up to them. **I don't believe you're a bunch of fucking Indians...Native American's, what every you**  want to fucking be called. Ya, hang your fucking heads boys (inaudible) be so fucking embarrassed you ought to quit the goddam team and the parents can sue us.

Canton boys will run your fucking asses in the ground again. You want to know why? Because they'll be at practice every day on time and they'll run (inaudible) ...you'll be sucking wind looking for mommy. It'll be fucking over again.

Every goddam year, boys...(inaudible).

(Inaudible) sometimes its (inaudible) Massena and Potsdam and everybody else is kicking your ass every goddam year (inaudible) ...that last year whatever (inaudible) they're kicking your ass already. How pathetic is that? Where's your pride? Where'd your pride go Bo? (Inaudible) you got a girlfriend who can skate fucking circles around everybody on this team. Why don't try to stand up and live up to her a little bit? (Inaudible) smile about that. Guess what? Next year when she's moving (inaudible) you're going to be fucking history.

(Inaudible) People who succeed don't want guys hanging on their tailcoats...you know what tailcoaters do, hold you back. Cut the fucking weight and move on without the weight. That's what life's all about boys...get the picture (inaudible) you guys just don't look ahead.

The thing is when you're told to do something, when you're showed to do something and we talk about things and you go out and you're supposed to do them and you don't. You don't learn anything. That's why you're (inaudible) nothing.

Yesterday (inaudible) Marc if he wanted to go back to Massena. They got a shot a college (inaudible) 100 times better than here (inaudible). His answer was no.
