Sediment Sampling		X		X			X			
SAV Survey		X		X				X		
Shoreline Restoration	X	X		X						

Notes:

1. No long-term monitoring activities were performed in 2015 (adult fish monitoring only scheduled) as USEPA requested that the fish monitoring be postponed to 2016.
2. Shoreline restoration monitoring not required for 2015-2019 based on results of the survey activities performed in 2011 and 2013.
