What Our Customer's Are Saying

Services offered makes disposing of materials more convenient.

Good job!! Service is excellent—no complaints.

Doing a good job—keep up the good work!

**FLEXIBLE SERVICE
OPTIONS TO MEET YOUR BUSINESS
NEEDS AT AN AFFORDABLE COST**

SERVICE OPTIONS

Non-Containerize Customer Supplies Own Containers Good For Small to Medium Size Businesses

Option 1—Pay-as-you-throw (PAYT)/Recycling Depot

This option allows you to only pay for what you throw out

Pre-purchase 30-gallon bags from the Tribe and use for garbage

Take your recyclables to the Tribe's recycling depot - no fee to use the recycling depot

Buy bags in packs of 5 for \$10

Option 2—PAYT/Recyclable Pickup

Same as option 1 but Tribe pickups your recyclables and charges you a recycling pickup fee

Option 3—Curbside Collection

Customer supplies own clear bags. Tribe provides weekly pickup for trash and recyclables and charges you a monthly fee

SERVICE OPTIONS

Future Options For Large Businesses Tribal Supplied Containers

The Tribe is working towards purchasing containers that they would lease to larger businesses in the community. The containers are fireproof, animal proof, and leak proof and they look great as compared to the current container options from other haulers.

Special Waste Management Services

The Tribe offers the following special waste management services:

- Bulky item pickup and disposal
- Construction & demolition materials
- Help identify pickup and disposal companies for special types of wastes
- Waste audits
- Train employees how to reduce, reuse and recycle materials, thereby maximizing your cost savings
