Saint Regis Mohawk Tribe

Mohawk Language Training

Registration Form – Winter 2018

In 2008, The Saint Regis Mohawk Tribal Council passed a resolution to reaffirm their commitment to the preservation and use of the *Kanienkehhaka* language and facilitating the growth of speakers in the community. The courses are free of charge and potential students are asked only that they commit to completing the 10-week cycle. Students may take as many or as few per week as they choose. The Winter 2018 cycle begins the week of January 9th and finishes March 24th.
