*A signed service agreement is required for this service. This is a scheduled service. Please contact the Transfer Station for further details.

The transfer station has instituted a new rule aimed at reducing litter and other types of refuse along neighboring roads, neighboring properties, and also on agency property. Loads coming into transfer station must be covered and/or secured. If not covered or secured, then the patron will be charged an ADDITIONAL \$25 FEE. **So remember to "Cover Your Load and Cover Yourself".
