This event will help U.S. veterans and their families become aware of the services available to them. Speakers from the Federal and NYS Veterans Affairs will be among the several presenters offering information and services to veterans. Feel free to bring your spouse, a caregiver, or a friend who can assist you. It is hoped that you will leave the workshop knowing the services and the process to obtain all the veterans benefits you may be eligible for.

This workshop is FREE and OPEN to all veterans and their families. To ensure full participation, we are seeking to confirm at least 50 veterans to attend this event. Dinner will be provided.
